# DEEP CUT IN ORANGES

Prices Materially Reduced on Local Market.

MANY HOUSES OVERSTOCKED

Fine Grades of the Fruit in Big Lots.

Good Business in Fish-Demand for Poultry Moderate-Cold Tightens Eggs.

Wholesale merchants wielded their knives on oranges yesterday, cutting prices on the juicy fruit from 50 cents to \$1 a There are large quantities of oranges, mainly of very fine quality, on the local market, and the drop in prices is attributed to the fact that many houses are overstocked.

There was good business in fish yesterday and the supply was equal to the demand. The demand for poultry continues mand. The demand for pourty continues moderate and the merchants are still relying upon the local supply.

Eggs are a little tighter, on account of the cold snap, but a few days of sunshine will so increase the home supply that the regular spring reductions in price will shortly ensue.
